The DO'S and DON'TS While Staying At Hotels

DO

- Allow staff access to clean your room daily
- Learn names/engage with staff assisting you. Talk to them about your Union job
- Respect non-conference hotel guests. They are community feedback of our Unions
- Tip housekeeping: Guideline: \$2/bed/day. Tipping daily ensures that the person who cleaned your room, gets tipped. Check-out tipping doesn't necessarily go to the person who cleaned your room all week
- Keep floors clear from bags and debris so housekeepers can vacuum and change bedding
- Utilize on-site food and beverage outlets and services as they supply employment to staff and generate income for employees
- Sort garbage and recycling into appropriately provided bins
- Food and beverage tipping is standardized at 15-20%
- Request fresh towels every day
- Tip the Bellman/Concierge if they perform a task for you (carry/store luggage, call cab, make reservations, etc.)
- Stay at unionized hotels -- Unifor Locals preferably
- Fill out comment cards and surveys for staff and give recognition to your Union Sisters and Brothers who are working
- Be an ambassador at all times!! Remember that YOU are the face of the Union!!

DON'T

- Leave a big mess in your room, but if you do TIP accordingly
- Don't book with secondary booking sites, as it reduces jobs and revenues at the hotels – book directly with the hotel
- Dispose improperly of any sharps or hazardous materials into room garbage (broken glass, needles, etc). Call housekeeping for assistance to prevent injuries
- Expect piping hot food through Room Service - food travels a long way before it reaches your room
- Dine in outlets just before close. Be aware of hours of operation
- Throw room parties or be loud in your room for other guests to hear
- Raise your voice at staff or use inappropriate language
